St. Basil Preschool is a non-profit organization funded solely by tuition, fundraising, and donations. Two annual Crab Feed fundraiser tickets at a set rate will be reserved per family and will be added to the 1st month's tuition invoice (in August). The tuition scale is designed to meet the operating costs of the program. We honor a 10% discount for full-time students (5 days/week) who are members of St. Basil Parish and a 10% discount for second sibling enrollment where at least 1 child is a full-time student (5 days/week). **The discounts cannot be combined.** The tuition has been broken into monthly payments, taking into consideration holidays and school breaks. **Please note that we are a year-round school, as we operate all year long.** We are closed for national holidays, St. Basil church-affiliated holidays, winter break, and a one week In-Service in August.

Tuition is due the 1st of each month. An invoice will be emailed to the parent email we have on file each month by the 1st of each month. A late notice will be sent via email after the 10th of each month. Tuition not received by the 11th of each month WILL be charged a \$35.00 late fee. Tuition not received by the end of the month may/will be cause for withdrawal from the preschool program. Returned check fee is \$35.00. Two returned checks will require future tuition to be paid in a money order or cashier's check.

We use an online billing platform called CuraCubby. Prior to the start of the new school year, parents will receive an email from CuraCubby inviting them to set up a parent account. The school's CuraCubby website is <https://stbasilpreschool.curacubby.com>

If you choose to take a vacation break, your remaining tuition is still payable. If space permits, you may re-enroll your child if you take an extended absence without payment. Special requests regarding the payment of tuition must be made in writing and approval is at the discretion of the Director. **Credit is not given for periods of absence or scheduled school holidays.**

**WITHDRAWAL FROM PROGRAM** requires a two-week notice to the Director. We do not give refunds.
